Mr. J. F. Cowan:—Dear sir:—I hereby certify that in
the summer of the year 1853, a servant of mine, a boy HAVE received during the past few weeks large about 19 years of age, who had always before this time been stout and of a vigorous constitution, was attacked with gravel. A Physician was called who attended on him for several months, during which time he grew worse daily until he was helpless, and I believe would have died in a few days had it not been for a friend, who advised the use of Cowan's Lithontriptic. I pro-cured a few bottles, the first of which gave him redef, and in a short time he was able to walk about, and symptoms of said disease, and to all appearance is as healthy as any servant on my plantation. DYSPEPSIA.

A S sho on by the statements of the Board of Health of New York, caused the death of 76 persons out of 611 deaths, in one week, and 161 deaths by consumption, induced by Dyspepsia. As it is a well altested fact that Dyspepsia is the origin of the suffering of a large portion of floor who as of consumption, it becomes the duty of every one to use such procautions against and remedy for Dyspepsia as sectice and experience have place before them, and which have protect to be effectious; of this character is offer. Williams' Anti-17 speptic Eight," in correspondent of which read the following testimentals.

Testimony of Mr. Edward H. Rowley, of the firm of Rowley, Asaburner & Co., 14 North Wharves, is proof of the efficacy of Williams's Anti-Lyspeptic Elaxir.

PHILADELPHIA, October 29, 1849. DR. JAMES WILLIAMS: Dear Sir-I take pleasure in recommending your Anti-Dyspeptic Elixir, for the cure of Hyspepsia. I have taken it myself for the disease, and have been entirely cured.

Yours respectfully, EDWARD H. ROWLLY, Communication to John R. Penrose, Esq., from Mr Franklin Eyre, Kensington.

Franklin Eyre, Kensington.

It is with great gratification that I testify to the efficacy of Williams's An i-Dyspeptic Edat, which you so strongly recommended to me, and for which I beartily thank you, it has completely restored my health, which I cheerfully publicly acknowledge, with the hope that others may be similarly benefited.

Truly yours. Truly yours,
FRANKLIN EYRE.

Very respectfully, &c., GEORGE WOODRUFF,

Cornwell's Half-way House, Bristol Turnpike, Testimony of Mr. Abner Eitnes, Market street, above Sixth, corroborative of the efficacy of Williams's Anti-Dyspeptic Elixir.

DR. JAMES WILLIAMS:

Dear Sir—It gives me great pleasure to know that you are again preparing your medicine for the cure of Dyspepsia, for many of my acquaintances have repeatedly asked me where it could be procured, knowing that I had been cured by it. As I think that a public acknowledgement of the great benefit I have received from the use of your medicine, is not only due to you, but may be assful to others, I now make it. For several years I suffered from Dyspepsia, which increased to such an extent that my health and constitution were rapidly sinking under it. I was compelled to restrict myself to the most simple food, and even that I could not digest. I felt a toss of strength, disinclination to exercise, and (as you have and even that I could not digest; I felt a fees of strength, disinclination to exorcise, and (as you have it in your advertisement) a general feeling of depression and indescribable weariness. In the year ISSS, hearing from others high recommendation of your Anti-Dyspeptic Elixir, I procured and used it with the most happy effect; under its influence languer and weariness gradually passed away, and my appetitorevived, which I could gratify with impunity. Ten years have now elapsed, and my confidence in the curative powers of your medicine has of course in creased, for it completely cured me, when I failed to obtain relief from any other source.
